Wonderful session by Dr. Guri Tej and Dr. Francesca to enlighten the young minds at Govinda Dass College, Surethikal. I being the PTA member, had the opportunity to attend your session. Simple, yet amazingly great skilled personalities. Through the simple, yet strongly connecting example of psychometric test, you guys induced the audience for self evaluation which is the foundation of setting up their personal and career growth. All the information along with Left and right brain understanding test was also awesome. This training initiative is very timely for the growing students. I truly appreciate the trainers and also I must appreciate the students for their discipline and active, enthusiastic involvement. If the students practice these skills and try to implement, their half job is done for setting up goal of their career planning and personal overall growth. We the parents are grateful to you Wisdom Ed for your support. If I read between the lines, allow me to say the couple is like polymaths as they have bundle of different knowledge, skills, acquired from series of education, experience of conducting hundreds of training across globe, business acumen, coupled with this special skill of personality assessment and upskilling. I believe any training by this couple will help the young minds to setting themselves in the right direction. Look when you have the passion and you will fill this with vigor and work towards that, the divine blessings and luck pours in many times. When this happens, your energy and enthusiasm get charged up. I believe this couple are the living example of living their true passion. All the best for your future endeavours in setting the foundation for 'young minds' growth and I also thank Ushakiran GDC PTA President for arranging this session.

Hands down the best agency to get your 'study abroad' plans sorted. They handle everything - Your SOP, applications, visa, fee transactions. Dr. Guru, Dr. Francesca and team will guide you throughout your journey. Everyone is just a call away and perpetually reachable. You just know that everyone from Wisdom Ed really wants you to succeed. I'd tell anyone who is having second thoughts to go ahead and put their faith in Wisdom. I did and here I am, studying my dream course in a wonderful country. Show out to the Wisdom team for all their efforts!

My experience with Wisdom can be summarized as a "one-stop place" for anyone aspiring to pursue higher education abroad. From initial counselling to post-arrival support, they seamlessly orchestrated every phase of the process. Their deep knowledge, personalized attention, and constant support turned what could have been a stressful ordeal into an enriching experience.

With Wisdom you're not just embarking on an educational journey - you're setting out on an unforgettable adventure backed by experts who genuinely care about your success.

WIN INCUBATION FOR NURTURING & GUIDING STUDENT-STARTUPS (WINGS)

The WINGS center at institutions performs 4 major tasks;

- **Student Entrepreneurship Mentoring**
- **FREE Incubation Center Management in Institutions**
- **Seed Funding Support for Promising Ideas**
- **Introduce Student Start-ups to the Market**

With the access to corporates like no other, people behind WINGS initiative are well connected to the corporate leaders, international investors, venture capitalists and CSR departments at large corporations. The WINGS center will play a major role in encouraging and supporting novel ideas of the students to make it a reality.

WHY WINGS Center at your Institute

WINGS center is a place that helps student entrepreneurs to develop their businesses and solve problems. Institutions can have incubation centers for a variety of reasons, including:

Supporting Students and Alumni

WINGS will provide a variety of resources and services to help students and alumni develop their ideas, refine their business plans, and launch their ventures.

Corporate Trainings for Student Start-up Ideas

WINGS team will be arranging regular corporate workshops that support students in establishing their start-ups.

Nurturing Start-ups and Seed Funding

WINGS team keeps start-ups in a nurturing environment for a few months to a year until they can shape their business and grow to adjust to the outside environment.

Developing Innovative Ideas

WINGS-associated start-ups help develop innovative ideas to take care of societal needs. Institutions hosting these centers get the credit and respect for these innovations.

Benefits for Accreditations

WINGS will not only kindle start-up mindset among students but also such Initiatives at the Institution will help while applying for NAAC and NBA accreditations.

Requirements to Set up WINGS Center

- One room of a 20X20 size or a classroom size facility within the premises in a well-visible area
- Basic infrastructural support like partitions, records closet, desks, and chairs that fit the Institution's budget
- A co-branded signboard outside the WINGS center detailing the WINGS services
- A co-branded hoarding of WINGS at the institution premises visible to public detailing WINGS services
- Support by Institutions to do co-branded promotions in local media and among students
- One active student volunteer who would work with the WINGS team as coordinator for the center. This will be a paid part-time profile with the designation of "Student CEO"

PSYCHOMETRIC ASSESSMENTS & COUNSELLING FOR TRANSFORMATION (PACT)

The PACT services is an extended part of WINGS center at institutions and performs 3 major tasks;

- **FREE Psychometric Assessments and Career Counselling**
- **Placement Training Support along with Placement Support where possible**
- **Supporting Institutions in keeping the Mental Health of students a priority**

Our WIN Leaders; Dr. Francisca Tej and Dr. Guru Tej are qualified psychometricians and have counselled 1000s of students to date. There is a team of psychologists and psychology student interns who work with them to give FREE psychometric assessment administration and counselling for students and parents.

PACT service is a desk associated with the WINGS center and is free of cost for all students who need career counselling support and guidance.

Key points about the PACT:

- The PACT services are for students and their parents of the institution
- Services will be offered on a visitation basis by the psychology interns and counsellors working at WIN
- Senior psychologists are invited when the requirements arise depending on a case-to-case basis
- The records of discussions and detailing in the PACT center would be kept confidential and secure
- No records can be disclosed unless there is a medical or security angle that needs to be involved
- Such records shall ONLY be shared with the relevant authorities where concerns to be shared

Requirements to Set up WINGS Center

- A part of the section in WINGS center with good visibility for ease of student access
- A records closet with appropriate security locks, a sofa set, 3-4 bean bags, and a small coffee table
- A co-branded signboard outside the WINGS center detailing the PACT services for students
- A co-branded hoarding of PACT at the institution premises visible to the public detailing PACT services
- Support by institution to do co-branded promotions in local media and among students parents
